Ethnicity and Race

The federal government has developed new ethnic/racial categories in order to provide a more accurate picture of the nation's ethnic and racial diversity and mandated that schools ask all returning or new students for fall 2010 to answer the following two questions:

Is the above student Hispanic/Latino (a person of Cuban, Mexican, Puerto Rican, South or Central American, or other Spanish culture or origin, regardless of race)?

- Yes, Hispanic/Latino
- No, not Hispanic/Latino.

What is the above student's race (choose one or more that apply)

- American Indian or Alaska Native: A person having origins in any of the original peoples of North America and maintaining cultural identification through tribal affiliation or community recognition.
- Asian: A person having origins in any of the original peoples of the Far East, Southeast Asia, or the Indian subcontinent including, for example, Cambodia, China, India, Japan, Korea, Malaysia, Pakistan, the Philippine Islands, Thailand, and Vietnam.
- Black or African American: A person having origins in any of the black racial groups of Africa.
- Native Hawaiian or Other Pacific Islander: A person having origins in any of the original peoples of Hawaii, Guam, Samoa, or other Pacific Islands.
- White: A person having origins in any of the original peoples of Europe, North Africa or the Middle East.

Student's Commitment

I understand that while I am a student at Bethany Christian High School, I will be expected to live by Christian standards. I commit myself to respect others, take care of school property, abstain from tobacco, alcoholic beverages, and illegal drugs. Not only will I abide by these lifestyle expectations, but I will seek to contribute to a wholesome Christian atmosphere.
